PROFESSIONAL RECOMMENDATION OF JACK TRIMARCO & ASSOCIATES

I am a criminal defense attorney. I recently had a client wrongfully charged with a serious felony offense. Despite all my efforts the District Attorney would not agree to dismiss the case. Therefore, I decided to take the step of having a polygraph test administered to my client to try to prove he was innocent.

I asked around and was told that Jack Trimarco is the best polygrapher and is the one to call. Therefore, I decided to hire Jack Trimarco & Associates to administer a polygraph test to my client. He passed, and because of Mr. Trimarco's report my client was released from custody and all serious charges dropped within 30 days.

If you ever need a polygrapher, Jack Trimarco is the only person you need to call. His fees were reasonable, he returned my calls promptly, and was able to start working on my case very quickly.

Anytime a polygraph is administered it is imperative that the polygrapher is well known and respected. When I showed Mr. Trimarco's report to the district attorney she knew exactly who he was. The report had instant credibility that allowed me to get my client's case dismissed.

I wish to offer my highest recommendation of Jack Trimarco and Associates. If you ever need to prove your client's innocence, call Jack. He's the best. My client was telling the truth, and Mr. Trimarco helped me prove it.

Sincerely,
